The designated area for buses is the only area that buses can be at so that we can have room for outdoor warm-up areas in front of school and for equipment trucks.**
- All Equipment trucks will park in front of the Performing Arts / Cafeteria student parking lot. This area is easier for percussion trucks/ props to unload.

Security Guards will be stationed around the school to direct traffic early in the day. Please make plans to arrive with plenty of time to find your way around the contest site. It is strongly suggested that you study this map and give a copy to your bus drivers and equipment truck drivers. Most of the problems occur in this area when it comes to dropping off students and unloading equipment. If you are a Head Director or you are in charge of the competing unit, it is your responsibility to familiarize yourself or your instructor in regards to the flow of the contest sites. Look for signs all over campus for directions.

If you have any questions please call me at 956-655-5686 or email me at jacobbanda@aol.com.
