JOURDANTON

MIGHTY INDIAN BAND

Welcome to Jourdanton High School! We are very excited to have the opportunity to host TECA and help give the opportunity for all of our groups to still perform this year. While you are here we hope that you enjoy your time on our campus. We take great pride in our facilities and ask that you help us to keep them beautiful. There is some construction directly next to our school so for your safety we ask that you do not attempt to cross any barricades on or directly adjacent to our campus.

If at any time on or before your contest day you have any questions or concerns regarding our campus or the flow of the contest, please do not hesitate to reach out to us.

Thank you and enjoy your day in Jourdanton!

Jourdanton HS: 200 Zanderson Ave, Jourdanton, TX 78026

WE WILL BE UTILIZING A HORIZONTAL CENTER LINE FLOW FOR THE PERFORMANCE AREA.

e. Post-Performance

Extra time will be allotted for every group to fold their floor in the gym after their performance so there will not be a specific floor folding spot outside of the gym.

Judges' comments will be delivered electronically through Competition Suite.

Upon leaving the gym, groups will be able to load their equipment in the bus and purchase water or Powerade at that time if they would like. There will not be any retreats or in-person critics. After groups have completed their performances, they should leave promptly to ensure there aren't too many groups on site at once.

IV. Admissions

There will be no spectators at the contest this year. Livestream may be available other contests throughout the TECA season.

V. Concessions

Unfortunately, this year we will not be able to offer a full concessions stand. Alternatively, water bottles (\$1) and Powerade (\$2) will be made available for purchase after the group has performed as they make their way back towards the bus, by the door located next to the girl's restroom.

VI. Merchandise

No on-site or online merchandise will be made available for purchase at this competition.
