On behalf of myself and the Board of Directors, welcome to the Texas Educational Colorguard Association Championship weekends. We are thrilled that our most spectacular event for both guard and the indoor percussion/winds is being held in wonderful venues in the San Antonio areas.

Our color guard and percussion/winds championship weekend is the culmination of many months of hard work and dedication shown by the performers, teaching staff, parents, family, friends, and alumni of our performing groups. The applause and appreciation you show for each performing group is not only for the group out on the floor but for all those behind the scenes. Thanks to all of you for the tireless efforts put in each and every year.

I would like to personally wish everyone a wonderful state weekend filled with memories that will last a lifetime.

Sincerely,

Jeremy Contreras

Texas Educational Colorguard Association President

I am writing on behalf of the Board of the Texas Educational Colorguard Association to extend a warm welcome to all of you for the upcoming Championship Weekends. We are thrilled to be at a contest, where the energy and excitement of Colorguard, percussion, and wind groups fill the room.

Firstly, I would like to express our gratitude to the hosting schools, Sandra Day O'Connor High School and Sonia Sotomayor High School, for creating a wonderful environment for our young performers to showcase their talents. We are grateful for their efforts in organizing such a fantastic event. I also want to take this opportunity to thank all the performing units for their hard work and dedication in preparing for this event. We understand the countless hours, sweat, and tears that go into developing your shows each year. Your commitment and passion for this sport truly shine through your performances, and we are excited to witness the fruits of your labor at the championships.

Furthermore, I would like to emphasize the significance of these events. The memories created at the championships will be cherished by all of us for years to come. It is a testament to the talent and hard work of our students, directors, and parents, and we are proud to be a part of this amazing community.

Once again, on behalf of the Texas Educational Colorguard Association, I welcome you all to the Championship Weekends. Let us come together to celebrate the love and passion for colorguard, percussion, and wind groups.

Sincerely,

Ronald Burton

Dear Unit Directors and Students,

Congratulations on reaching the end of the 2024 TECA Season!

During this time of the season, it is important to look back and reflect on the time, work, and dedication that was put into the success of your program. No matter the results, the importance is the progress made with each unit member. Think back to the start of the season to now and realize the significance in the progress and growth that was achieved. That is already a win.

Be thankful to all those people that stood in your corner supporting you along the way. A support system is important. So please take the time to thank your friends, family, teachers, and so on for being there when you needed them most.

Unit directors, thank you for the time and work required to put together a competitive indoor group. The work can be unrelenting and the time extremely limited. In the end, all you see is an opportunity to give your students a chance to experience something that will make them better musicians, performers, and students. Congratulations on being excellent educators.

Lastly, I wish all students and directors the best of luck after the end of the season. To all the seniors, I hope this season has been a memorable one filled with experiences with those you love and care about the most. I wish everyone an eventful rest of the year and do your best to make your last performance the greatest.

Thank you and good luck,

Raul Cisneros III
