On behalf of myself and the Board of Directors, welcome to the Texas Educational Colorguard Association Championship weekends. We are thrilled that our most spectacular event for both guard and the indoor percussion/winds is being held in wonderful venues in the San Antonio areas.

Our color guard and percussion/winds championship weekend is the culmination of many months of hard work and dedication shown by the performers, teaching staff, parents, family, friends, and alumni of our performing groups. The applause and appreciation you show for each performing group is not only for the group out on the floor but for all those behind the scenes. Thanks to all of you for the tireless efforts put in each and every year.

I would like to personally wish everyone a wonderful state weekend filled with memories that will last a lifetime.

Sincerely,

Jeremy Contreras

Texas Educational Colorguard Association President

Dear Unit Directors and Students,

Congratulations on reaching the end of the 2025 TECA Season!

During this time of the season, it is important to look back and reflect on the time, work, and dedication that was put into the success of your program. No matter the results, the importance lies on the progress made within each unit. Think back to the start of the season to now and realize the significance in the progress and growth that was achieved. That is already a win.

Be thankful to all those people that stood in your corner supporting you along the way. A support system is vital for success. So please take the time to thank your friends, family, teachers, and so on for being there when you needed them most.

Unit directors, thank you for the time and work required to put together a competitive indoor group. The work can be unrelenting and the time extremely limited. In the end, you successfully provided an opportunity to your students to gain new experiences and to grow into better musicians, performers, and students. Congratulations on being excellent educators.

Lastly, I wish all students and directors the best of luck after the end of the season. To all the seniors, I hope this season has been a memorable one filled with experiences with those you love and care about the most. Have a great rest of the year!

All the best,

Raul Cisneros III
TECA Vice President of Percussion and Winds
